Welcome Song

We build the future

Welcome to TOYAMA

Lyric Writer/Haruhiko MIYAJIMA

Composer/Shigeru YAWATA

Welcome friends
Welcome all
From throughout the world
Welcome to TOYAMA
Welcome to our land

On the stage of the theatre
We find new friends
Who live on the same planet

We build the future (Harmony)
We build the future (Unity)
We build the future (Beauty)
We build the future
